MILE

WEAR

“*#TwoMileWear* is a type of casual loose-fitting pants that are made from lightweight, breathable fabric often with a slouchy or relaxed fit.”

These jeans are designed to last for a long time and withstand tough conditions, making them the perfect choice for people who demand high-quality, long-lasting clothing. It has reinforced stitching, heavy-duty fabrics, and spacious pockets.

Inspired by the everyday hustlers of Harlem Streets, this collection disrupts the style evolution and goes back to its roots where it belongs.
